

**PTA - Flocktown School Store
Birthday Coupons**

Looking for something to send in for your child's birthday celebration?

The PTA sponsored Flocktown School Store is now offering School Store Birthday Coupons. Since our school district is now asking that parents send in non-food treats for their child's birthday, the birthday coupon is a great option. You can now order birthday coupons for the class to be used at the store which is held once a month. Placing an order is as simple as filling out the order form below and sending in the money for the amount due. The PTA will provide the coupons to be personalized by the parent. After your order has been processed, you will receive the coupons via your child's backpack. The coupons can only be purchased at a value of \$.50 each per child.

Due to processing time, we can only accept orders up until two weeks prior to your child's birthday celebration at school. The coupons are redeemable for the 2013/2014 school year and are good up to and including the June 2014 School Store. Coupons are only available for Flocktown School students.

If you are interested, please detach the completed order form and send in the form along with your check (no cash please) in an envelope marked "PTA - School Store Birthday Coupons". If you have any questions, please contact Nancy Suhr at suhrnancy@comcast.net.

This order form will also be available on the Flocktown-Kossmann PTA website. To download, visit www.fkpta.com and click onto school service.

Store Opening Dates: October 2, November 6, December 4, January 8, February 5, March 5, April 2, May 7, June 4

**PTA - Flocktown School Store
Birthday Coupon Order Form**

Please complete this form and return it via your child's backpack with your enclosed check (no cash please) in an envelope marked "PTA - School Store Birthday Coupons".
