-Meeting attendees proposed asking the submitter to break this into 2 separate requests to make it under the \$1000.00 limit

-Plan for next year-want more participation from teachers

-suggested the Teacher Grants committee go to faculty meeting to introduce themselves to teachers and present ideas to inspire teachers to submit more grant requests

President:

-2018 is 50th anniversary of Flocktown Kossmann school; Mr. Craver is very excited and wants events/areas of interest planned

-Suggestions: 50 Fun Facts about Flocktown Kossmann, Flocktown Alummi

-Discussed what the FKPTA can fund in general

Services only, all "goods" go to Washington Township Board of Education and then we have to hope they give the FKPTA donated "goods" back to Flocktown Kossmann

-Budget and Nominating Committee

Budget-checks and balances from committees; budget committee reviews before being presented to the board

Nominating-reviews responsibilities of chairs and tries to match volunteers to positions, would be helpful to have description of time commitment needed for each position esp. day/evening opportunities

PTAvenue:

Pros-could centralize Signup genius and CheddarUp potentially; CheddarUp is used because fees are minimal compared to other routes i.e. PayPal, PTAvenue

Meredith feels member self registration would be very helpful to Membership Committee

Treasurer proposed to do membership for one year, try it and see

Discounts on events with PTA membership: all in attendance seem to be in favor of making discounts on PTA sponsored events for PTA members

Family vs. Single membership-should consider upping the Family Membership cost to \$20.00

Nominating Committee-reviewed entry in FKPTA By-Laws

PTAvenue-pass on it this year but use it for the 2018-19 school year

Fundraiser ideas to be voted on in May

Meeting adjourned 8 PM
